

Think English toffee made with crushed **almonds**, pure **Vermont maple syrup** and **creamy Vermont butter**. Snapping-crisp, buttery and not overly sweet, our all-natural confection is handmade in small batches.

Available in our original flavor (for the purist), hand-dipped in silky dark chocolate (for the chocolate lover), blended with everything bagel seasoning (for those who love sweet-and-savory) and spicy with cashews (for those who like it hot!).

Our airtight, resealable zipper pouches are great for snacking on the go, gift baskets, corporate snack programs and small gifts like stocking-stuffers. Once you're hooked or if you need a larger gift, a full-sized box is a perfect choice.
